

CANYON DEL ORO HIGH SCHOOL
ACTIVITY TRANSPORTATION GUIDELINES

With respect to the transportation of STUDENT-ATHLETES, the philosophy of the Canyon del Oro Interscholastic Department is that as a member of an interscholastic sports team, individuals should be transported to and from "AWAY" athletic events or "OFF CAMPUS" practice sites *via* transportation provided by the school.

PARTICIPANTS IN INTERSCHOLASTIC SPORTS PROGRAMS AT CANYON DEL ORO HIGH SCHOOL ARE NOT PERMITTED TO TRANSPORT THEMSELVES TO "AWAY CONTESTS" OR "OFF" CAMPUS PRACTICES. However, situations do arise where parents/guardians find it necessary to transport student-athletes to their homes after "OFF SITE" practices or contests. The following form has been developed to address these unique transportation needs and document that appropriate communications have taken place between student-athletes, parent/guardians, coaching staffs and the Canyon del Oro Interscholastic Department.
